We're Going Greener!

This will be the last edition of the Super-Saver Flyer Deals that we send to customers in regular mail. The flyer will continue to be available in stores and on the Down to Earth website: www.downtoearth.org. And, it will continue to be available as a link in "Earth News," Down to Earth's monthly e-newsletter.

If you're not on the e-newsletter mailing list but would like to be added, visit the Down to Earth website and provide your contact information using the simple form in the upper right corner.

By signing up for the newsletter, you help significantly reduce waste associated with putting printed copies of the flyer in regular mail. This is the latest step Down to Earth has taken to adopt "greener" and more efficient ways to communicate with you.

We hope you'll support our greater emphasis on e-communications as we seek to contribute to a cleaner and safer environment!
